ABOUT ME

Hi, my name is Luís Lemos and I am a Sofware Engineer student, athlete and technology enthusiast. I have experience in software development and programming in several languages, as well as skills in project management, problem solving and teamwork. Additionally, I am a dedicated athlete and committed to maintaining a healthy and active lifestyle. I believe that my combination of technical skills and personal dedication can contribute to exciting and innovative projects.

WORK EXPERIENCE

2020-PRESENT — **SYSTEMS ADMINISTRATOR IN RESIDENTIAL AND COMMERCIAL NETWORKS**
Nuno Elétrico LDA

I work weekends where I am responsible for installing and programming home automation, surveillance cameras, video intercoms, routers and switches. This experience allows me to develop technical skills in the area of technology and security, as well as improve my communication and customer service skills.

2020 - 2021 — **MEDICAL CLINIC REBRANDING**
Consultório Dr Ernani

Rebranding of a Private Medical Clinic
